*Ellen was the most wonderful school nurse one would ever want to have the pleasure to work with. I was in Nathan Hale school teaching art years ago when she had the position there of school nurse, Ellen was always very loving and really cared about the children. I loved having little chats with her. My deepest condolences to her family, Elizabeth Rhoades*

*I am so very sorry for your loss. I worked with Ellen at Nathan Hale School and have many fond memories of her. She was one of the kindest, dearest people I have ever met. I will always remember her smile, her warmth, and her Irish soda bread! I loved going into her office and exchanging greetings, "Top of the mornin," "and the rest of the day to you!" She touched so many lives and will be greatly missed. Sending thoughts and prayers to the Kennedy family!*

*Condolences and special thought to the family lucky enough to have spent so many wonderful years with Ellen. She was the corner stone of the Kennedy family and in the short time I knew her she was always made me feel comfortable and I enjoyed her warmth and wonderful smile and laugh! She was the Ladies LADY and just the way she looked at her children and grandchildren you could feel her love flowing. Her memory will always be in the air and she will be the brightest star in heaven with the smile. Prayers and love from the "family across the circle"...*

*Fondly, Jim and Sandy*
