Tribute Wall

I remember Gene in the 1940's and 50's when he was married to my cousin Lucille. He used to come to our home in Wilson with his brother JoJo after WWII to visit with my mother Aunt Helen who was a favorite of the Federowicz children. Later my husband Cliff and I used to visit Gene and Lucille when they lived in Elmwood. The last time I came in contact with Gene was when he and Chet stopped to pick me up when they were going to some aircraft event at Camp Rell which had another name at that time. All my regards to the family.

Deb -
Our most sincere sympathy. I know that your father is in a better place. Maybe he'll put his name on my mother's dance card. See you soon.##imported-begin##Jackie, Mike and Stephanie##imported-end##
