

## Brigid Maire Curtin

December 17, 2018

Brigid Maire Curtin, of West Hartford, CT passed away suddenly on December 17, 2018. Brigid was born in Hartford, CT on January 8, 2006 and is survived by her parents, Janemarie Murphy and Timothy B. Curtin, and her twin brother.

Brigid attended public schools in West Hartford, first at Duffy Elementary School and then at Sedgwick Middle School where she was in the 7th grade. She loved being a Dragon and a Wildcat. She was an honor student and multiple recipient of the “Student-of-the-Month” award. Her favorite classes were “all of them.” Brigid worked hard to earn these awards and often spent many nights studying after dinner to earn extra credit.

Brigid played saxophone in the Sedgwick Band and loved to sing, performing in Sedgwick’s select vocal choirs, the “Top of the Sixes” in 6th grade and “Sounds” in 7th grade. Brigid also relished her role as Betsy Ross in Duffy’s fifth grade play.

Brigid enjoyed team activities and was especially proud when she was selected for the West Hartford Girl’s U-12 and U-13 Travel Soccer Teams. A defensive specialist, #40 was always there to foil many an opponent’s scoring attempt. Brigid also participated in West Hartford’s recreational soccer and basketball leagues, and never missed an opportunity to be part of Sedgwick’s after-school programs of volleyball, soccer and fitness club. When not competing, Brigid was in the stands or on the sidelines cheering on her classmates and teammates. She loved to spend time with her friends, and found enjoyment and excitement in their successes as much as she did in her own.

Brigid was never happier than when she was with family on vacation, and she loved her trips to New York City, Saratoga, Florida, Hawaii, Ireland and France. The family’s annual trip to Martha’s Vineyard was Brigid’s favorite two weeks of the year. When not in school or away, Brigid was enrolled in camp at West Hartford’s Westmoor Park, one of her most beloved places, where she was able to hike the fields and streams, play with and take care of the animals and learn about nature. She was looking forward to becoming a Counselor-In-Training at age fifteen. The family “adopted” a sheep and two goats over the

years, and Brigid loved to visit with them.

Brigid attended religious education classes at Hartford's St. Patrick - St. Anthony Church where she was also baptized and made her First Holy Communion.

In addition to her parents and brother, Brigid is survived by her maternal grandmother, Mary Ellen Murphy, as well as aunts and uncles; Maura Murphy and Richard Page, Colleen Murphy and Philip DeFronzo, and John P. Murphy, Jr., and Carollynne Weidler. Brigid also leaves behind eight cousins who have many happy memories of spending time with her.

Brigid was predeceased by her paternal grandparents, Mary (Dungan) and William P. Curtin, her maternal grandfather, John P. Murphy and her uncle, Kevin P. Curtin. A Mass of Christian Burial will be celebrated on Saturday, January 12 at 2 PM at St. Patrick - St. Anthony Church, 285 Church Street, Hartford, CT. Burial will be private. There will be no calling hours. The family requests that in lieu of flowers, donations may be made in Brigid's name to "The Westmoor Park Fund," 119 Flagg Road, West Hartford, CT 06117. Online expressions of sympathy may be made at <http://www.molloyfuneralhome.com>

“ Brigida, I love you so much. Thanks for being so kind to me, and thank you for smiling no matter what. You didn't deserve this. I wish I could've done something to stop it. I miss you so much and I'll love you forever.

“ Brigie- I miss you so much and this never should've happened. School is awful without your bright smiling face. Everyone misses you more than you could ever imagine. I always hoped that we could get a lot closer, but I will never get to do that. You are the perfect friend for all reasons. You never made fun of anyone, but rather accepted them for who they were and embraced that. I'm so sad that you'll not be at my Bat Mitzvah as I was really looking forward to you being there. You would've made it so much better. I miss you to heaven and back, and i'll always love you.

“ Tim,

I am very sorry to hear of the heartbreaking loss that you and your family have experienced. While it has been years since we last saw each other, and I never had the pleasure of knowing Brigid, nothing can stand in the way of my love, prayers and support for your family. I know that your precious daughter is with your parents and brother. They are all watching over you and your family during this challenging period. The impact that Brigid had on so many in too short of a number of years will be felt and remembered by many for decades ahead. No doubt this period has been very disturbing for you and for the many other people who knew and cared for Brigid. I, and my family, are thinking of you during this time of loss. You are in our prayers and I will always be there for you. With love, Dorian Dickinson

“ Dear Tim and Jane,

Fred and I send our warmest love and prayers to you and your family. We pray daily that the Lord will be by your side to guide you through this time and carry you when needed, as in the poem, "Footprints" by an Unknown Author ... 'The Lord replied, "My son, my precious child, I will never leave you. During your times of trial and suffering, when you see only one set of footprints, it was then that I carried you."

We love you and remember our time in Martha's Vineyard with you! We are one with you.

Love Forever...Fred and Jennifer Meagher

“ Our hearts break for Tim, Jane, their friends and loved ones for all they have endured of late. We live within view of Stoner Drive, so we think of them nearly every time we look outside. We pray for Jane's recovery and, to the extent they are able, to heal and resume a contented life. With love and in faith, Art & Dale

“ I am so honored to have been close friends with Brigid. She was a role model for all ages many people looked up to her. She would accept anyone, she always had a smile on her face. I first met Brigid in kindergarten at our first Girls scout meeting. I remember when she walked in the room she came over to me and we started to talk, from that moment on we became really close. In fourth grade we started band. I was so happy we played the same instruments. We got a lot closer throughout the last four years. When we came to middle school we were the only two girls in our section, so we were always paired together. We always sat together, and we would make each other laugh all the time. She will be remembered as a kind, caring, hard working, beautiful girl. She will never be forgotten, she will have a special spot in my heart. Travel the world and fly high!

“ Supportive. Persevering. Nice. Sweet. Happy. Comforting. Kind. Generous. Curious. A great partner. Always looking on the bright side. A smile that lights up a room. These are words describing Brigid in our 3rd grade classroom. We will cherish these memories, knowing we had the privilege of knowing her. Sending love and prayers from one of the many teachers who loved Brigid.

“ Brigid was such a bright light in my class! I loved seeing her confidence grow over the years at Duffy. She would dive into her art with such joy and enthusiasm, all the while helping her friends with any questions or struggles. Her smile was truly memorable and will be forever imprinted within me. You are in my thoughts and prayers.
