“ To Clara’s family,

I worked with Clara briefly at Mutual before she got diagnosed and went out on disability. I still think of her and wanted you to know that. We crossed paths briefly but she was a good soul and people like her are hard to forget. You can tell a lot about a person when you see their love for dogs- she and I bonded over that and joked they’re better than 90% of people :) I hope time is helping to make her loss a little less painful where the good memories overcome the bad..

With continued prayers,
Brenda Bertolini
