“ *Mary and family,*

My sincere and deepest condolences to you on the passing of "The Queen", as I called her. She was a wonderful lady. There are so many stories, lots of laughter and great memories. The Egypt picture was so appropriate. She loved that trip. I even remember a picture of her and a camel.

Mary, you were so wonderful in all the care you gave her over the years. Again, I'm so sorry for your loss.

Love

Linda
