

Francis Pallotti

December 30, 2020

Francis “Moose” Pallotti, 67, of West Hartford, CT died on December 30th after a courageous battle with esophageal cancer. Fran was born in Pittsburgh, PA and at age 15 moved to Connecticut where he lived most of his life. He graduated from Northwest Catholic High School in 1971, then enlisted in the Navy where he proudly served his country in the Vietnam War. He was a disabled combat veteran. He went on to obtain his Associates degree from Manchester Community College, and during his life he enjoyed careers as a tractor trailer driver and as a chef and caterer. Fran had many interests in his life. He loved owning and restoring antique cars, especially his '53 Pontiac and '47 Plymouth. He had a passion for cooking and enjoyed nothing more than sharing a delicious meal with friends. He loved rides on his Harley, trips to Martha's Vineyard and Virginia Beach, and just spending time with his beloved wife, his dear friends, and his cherished dogs. The memories he leaves behind of dinner nights at Kevin & Sandy's, Halloween parties at Kathy & Beef's, Christmas Eve's at Marc & Paula's, great times at Park Place, and the many adventures he had with Dale, will live on with those who loved him. Fran is survived by his wife of 30 years, Cathy, and his sister Peggy (Pat) Daniel and nephew Corey (Cindy) Daniel of San Pedro, CA. He also leaves behind many relatives in the Pittsburgh area, especially his cousin Sam with whom he had a special bond, and other relatives scattered throughout the country. Cathy would like to extend her deepest thanks to the many professionals who cared for Fran during his illness, especially Cindy Brown, APRN, and Patrick Richardson, APRN, and the staff on 8-1 at St. Francis Hospital. Special thanks also to Kareen of Dynamic Touch Home Care and to Jackie, who provided care and support to both Fran and Cathy. And gratitude beyond words goes out to Sharon, Fran's nurse from Masonicare and fellow Navy veteran, who worked tirelessly to ensure Fran had peace, comfort and dignity in his final weeks. A graveside service will be held on Saturday, May 8th at 11:00 a.m. in Fairview Cemetery, 200 Whitman Ave., West Hartford. Due to Covid-19 masks and social distancing will be required.

“

Cathy,

I am still shocked by Moose's passing. We met in high school and played J V football together with our buddy Mac who I believe gave him his knick name. It sounded meaner

than Francis. Since he had the only car, we would cruise to Hartford in the Pontiac and

Purchase hydration in cans of six. Mac grew a moustache, kind of, and bought the goods.

Our last summer together we took a road trip to Mt Washington hiked the trail up and walked the train trestle down. Real brain surgeons. We camped that night near the cars

And the next morning we decided to cross over to Canada for some international mischief. Moose heated up Dinty Moore beef stew on a hot plate before we all headed

Out to mingle with the locals. After graduation in '71 we gathered at his parent's home to send him off on his navy enlistment. Many years past until we met up at his home in

Glastonbury and met you, the love of his life!!! More time past and he called to say you

both had moved to West Hartford close to my house. We had different friends but got together at the VFW on occasion to yak about old times, solve world problems and have one or two or..... He always bragged about you. How lucky he was. I will miss seeing my friend but I will never forget him. In hindsight I wish I could have done things..... O well.....

“ Cathy, Bill and I are so sorry to hear of your loss. We fondly remember the car shows and backyard barbeques at the Wades'. Moose would talk for hours with my son Cole, he learned so much from him. May past memories of happy times help in this difficult time of sorrow and grief.
