“ My sincerest sympathy in the loss of your father and grandfather. Mr. Neubert was always a guest at our annual Braeburn School Memorial and Veteran’s Day assemblies. He was a loving grandfather who was so proud of his grandchildren. He will be deeply missed.

“ Our condolences go out to Hank's family and friends. Sue and I met Hank in 1970 while I was stationed in the Pittsburg Regional office. I was the Marketing Manager and Hank was my Marketing Director/Supervisor, from the Home Office Marketing Department. Working closely together, we soon became fast friends and Hank developed into my Mentor. He guided me through many positions up to and including the position of Director of Marketing Operations for 10 states in the Hartford's Western Division in Chicago.

WE have many fond memories of the couple of Hank And Terri.

Our fondest memory is of they inviting us and our children, (three Boys) to join them on their vacation to Cape Cod. We spent 3 days with them in their cottage and this was our first visit to the Cape. It was not our last visit however, as we returned many times with our family after that.

We would visit with them every year in Florida for lunch in Okeechobee Fl. It was only for a couple hours, then we would return to our vacation sites on each border of the state. We wish we could have spent more time with Terri and Hank. We will always keep fond memories of our friends the Neuberts.

“ Our love, comfort and sympathy to you Mike, Danny & families, sorry for the loss of your dad & grandpa. The world is dimmer for my Godfather, Uncle Hanks passing, we will miss his fun-loving, gentle and caring spirit. He will not be forgotten, we will carry him in our hearts & in so many precious memories. He got such a kick out of the fact that his roommate & friend at college, Erv Benka, was my husband's high school guidance counselor & good family friend. I remember what fun we had w/both Uncle Hank & Aunt Terry, at mom & Hanks birthday party, we hosted at our home on the lake, it was a beautiful day & we were all so happy to be together, he was grateful & got teary & emotional, for the gift of crystal hearts, that I gave to both he & mom, symbolic of being twins. Also remember time spent w/Hank & Terry in FL, can still see his smile, feel his happy embrace. I will miss you in the world Hank, but I know, your spirit soars & your love will always remain, prayers for your sweet transition

“ Uncle Hank was a wonderful, gentle soul. Last time I golfed with him and my Dad, Uncle Hank reminded me to forget the last shot and stay relaxed and at peace for the shot ahead. I don't ever recall seeing him yell or lose his cool. He was always kind and always thoughtful. The world lost a good man. I hope the memories of him, Michael and Dan, will bring you peace and joy to counterbalance the heartache. Love and condolences to you both and your families. - Kip
