“ Dear Bill and Joanne's family,
I intended to join you at the wake this afternoon, but internal distress sidetracked that plan. I feel bad not being there because you and Joanne are very dear to me. You have been faithful friends for a long time.
My heart is with you during this hard time. You have been through so much in just a few years. I said Mass for Joanne and you this morning as I did last Sunday. Please know you are always remembered in my prayers and Masses.

“ Colleen, Meg, Bridget and Devon- I am so sorry to hear about your mom's passing. I have always remembered her throughout the years and especially the last 14 years. It was 14 years ago that I was diagnosed with Breast cancer and your Mom sent me a prayer blanket. Every time I use the blanket or share it with others who are sick, her unselfish token of prayer, love, kindness and life have always been with me. It is one of my most treasured gifts to this day and your Mom had a truly beautiful soul. May she Rest In Peace and may all of you find peace through her acts of kindness! Much love and prayers to you all! Mary-Beth Krenicky Carstensen
