### PAUL NOLT WENGER

On Saturday, April 28, 2018 ... Passed peacefully at home surrounded by his wife. Sylvia Denys Wenger and Beloved Cat PYE WACKET.

He was born in Stamford, CT to Paul Nolt Wenger, Sr. and Nancy Waln Karch

His education for his early journey began :

Greenwich High School

Dartmouth College

Chicago School of Law

Perhaps his real journey began when William Penn brought his ancestral families to Pennsylvania ..... The Welch WALN and Swiss WENGER families in 1700's.

They came seeking new lands to create peaceful worlds ... Ready to meet new challenges ..... opportunities to shape new lives.

It was with the spirit of Christopher Robin in "Pooh's Grand Adventure"

"You're braver than you believe, stronger than you seem, and smarter than you think."

That Paul entered the Foreign Service ...serving with

The Agency for International Development in more than 30 countries.

Or Setting up medical clinics and feeding programs in Africa, Asia, or providing relief in the refugee camps in Tajikistan or Banking in Estonia.

When asked how he could serve such a wide range of cultural beliefs ..

His answer was simple ....

"The human heart holds the same wants and needs To provide a secure and warm place for his family ... with opportunities to create a new world"

And this was what his work was about.

He is survived by his wife SYLVIA DENYS WENGER  
Son LANCE COLE WENGER  
wife HEATHER YOUNT WENGER  
grandsons  
JACKSON WENGER  
LIAM WENGER  
BROTHER  
LT. Col. ROBERT KARCH WENGER  
CHARLENE S. WENGER.

Most keenly by his devoted cat PYE WACKET  
who shared his love of watching Formula I Racing  
and in the end offered chipmunks for his recovery.

Our special thank you for the Angel that came  
Our lives Karolina Kamal ..... it was her cheerful  
caregiving that brought sunshine into our home.

The Memorial will be in the Rocky Mountains where  
His ashes will be scattered to The Winds and Waters  
on the Continental Divide.
