“ My sincere sympathy for the sadness and pain your family is going thru now, at this time.

I have such fond memories of you Elmwood Kids and think of you so often. Gordon and I just loved you Stanley, Kelley, Ray, and including Brad and Sean who are now gone. Not to forget you, Valerie, but you were a little older.

Gordon and myself babysat Brad and Sean in the pre and kindergarten ages. Every time Gordon wanted to make Sean lunch...all the good offers...but all HE wanted was a peanut butter & jelly sandwich.

Sean was the sweetest kid. We enjoyed every moment of him.

Fondly, Connie Stefanik
