I'm so sorry to hear of your dad's passing. He was always such a kind man and I'll always remember that if there was a movie on with John Wayne in it, he'd be watching. I know you'll miss him, but know that he's in God's hands now. Thinking of you at this difficult time. Be well.##imported-begin##Robin Cero-Mysliwicz##imported-end##*

“ *Paul, I am saddened to learn of the passing of your dad. Unfortunately I am out of town and unable to express my sympathies personally.*

He was a great guy and I have a lot of fond memories of him. I still think about helping him build the pool in your backyard..it turned out to be a lot of hard work and your dad was so determined to get the base level. Digging and pushing dirt around until he was satisfied. But he was patient with my inept attempts to help. And then of course we found the arrow head..ha.

Our thoughts are with you and your family during this difficult time.
