“ Dear Friends,

I was Robert's grade 5 teacher at the Bridlepath School in West Hartford many years ago, so I knew the Shages family. I remember Angela Shages as a warm, supportive mother, who was very interested in her son's school progress. I am very sad to learn of her passing. I would like to contact Robert and talk with him about those Bridlepath days and share with him what I know about several of his former elementary school classmates. I can be reached at gsandler@att.net. God bless Angela and may she rest in peace.

“ *I have fond memories of Angela and her husband, Bill. They were good friends of my parents (Al & Regis Minkus). I remember going to their house on Meadow Farms Road, as well as seeing them at my parents house near the West Hartford Reservoir. I recall Angela as a lovely & gracious lady, and a dear friend to my parents. My condolences to all the family. With sympathy, Ann Minkus*

“ I extend my sympathy to all of you on the death of your Mother, Angela. In my early days at Holy Trinity I was at their home to interview your Dad about the history of the church. If I recall correctly I gave the tape to one of you. You have my prayer and sympathy during this difficult time.
