“ My heart goes out to the family of Ann McDermott. I went to school with Brendan and Michael (who had MY mom as a teacher at Plant Jr High!). I am sure all of the children are feeling this loss, keenly. Thank you for sharing with us a little bit about your mom's life. It was interesting to read that she moved here directly from Ireland. I bet she never lost her wonderful Irish accent and that knew what a good cup of tea was. At 96 years of age; your mom surely lived a long and rich life, and for this we can be grateful. Keep telling her stories. It will keep her close. Be comforted. You all are being held in many peoples thoughts.

“ To the McDermott children: my deepest sympathies at the passing of your mom. I have great memories of your house on St. Charles and Smith School through Hall and beyond. I wanted so much to attend the services. I hope I can connect with you directly soon!
