“ Jim and Family, I regret I never had the chance to meet Mom, Anna T Martinelli. She was quite a woman. I enjoyed hearing stories about her spunk at Lord & Taylors. Birds of a feather. ( Jim you know what I mean) I understand her passing was peaceful and she was ready to go onto her final and forever home. A reunion with her husband James and daughter Lisa and all of her family and friends who passes before her. Remember this....." this world is not conclusive , a sequel lies within . Invisible as music, as positive as sound." On behalf of the Arthur Speranza Family we send wishes for you all to bring forth the happy memories that will make you SMILE and even LAUGH. Most Sincerely , Elaine Ogren-Speranza MiscElainEOS

“ Dear Tommy, Ellen and the Martinelli family, I am truly sorry for your loss. I looked forward seeing your mother working at Lord and Taylors now there is no need for me to go shopping there. I knew your family for many, many years and I know Ann and your Dad were truly compassionate and loving towards me, and was sincerely grateful for their love. The UNICO Debutante Ball when Lisa was presented was just beautiful and I was so happy to have had shared the excitement with your family. Tommy and Ellen I will have you all in my prayers.
