“ *Dear Judy, Jennifer, Diane and Family,
I was greatly saddened upon hearing of Tony's passing. My deepest sympathies to you all. Tony was a great friend and I enjoyed his company and friendship for many years, as you know. Whether it was at the weekly round-robin model train sessions with "the train guys", at a train show, or at trackside "railfanning" the real trains; we always had a great time. Of course, a highlight of many years was getting together at your house for dinner during Christmas time and for a Summer cookout. These later years I would try to visit Tony at Lowes as often as possible, just to chat and catch up. So many good memories.*
