“ To all the extended Armand Desmarais family, Armand was one of the many first cousins of my family. Although we were 20 years apart, I always considered him close. More importantly Armand was one of the "good guys". He had wonderful parents who were consummately French Canadian and made their kids a critical part of their lives. When we lived in West Hartford my wife Joanie would see them both at Hall:s Market where she worked. He always had a smile and a story. The world will have a little less sunshine in it without him. We are out of state and cannot attend the arrangements in person. But we will be there in spirit.

“ Karen and family,

I worked at United Bank for over 11 years and considered Armand as one of the "good guys." May he forever rest in peace. Godspeed.

“ Dearest Karen and family, I truly loved your dad and granddad and I'm remembering the positive impact he made not only on my life but the lives of many people. Mr. D. was truly a good man. I look at you and feel grateful to your father that he left such a wonderful person among us. Your father may be no more with us now but you have many shoulders to share this weight of loss. May his soul rest in peace. Love his “other daughter Lucy” and Joe.
