“ I never laughed as hard as I did with Joe. I am comforted to know he is no longer in pain, i know his mom was there to welcome him. From what he told me, life wasn't the same once she passed. Under his sarcasm & jokes, was a beautifully sensitive person, I will miss him & Duchess. Until we meet again, my friend.

“ Joe was a gregarious and generous person. His heart was as big as his smile. I met him many years ago and we connected instantly. He always made me smile and laugh even when I didn't want to. We weren't in regular touch recently, just a message here and there, but his kindness and the impact he has had on my life will last forever. Love you, my friend, I hope you are free now.
