“ Love You Nana . . .

“You can shed tears that she is gone, or you can smile because she has lived. You can close your eyes and pray that she'll come back,or you can open your eyes and see all she's left. Your heart can be empty because you can't see her, or you can be full of the love you shared. You can remember her only that she is gone, or you can cherish her memory and let it live on.”##imported-begin##Devin Cleary##imported-end##
