What can I say? I just found out today. I have thought of Bernie more times than I can count over the years since I left hairdressing. She was a wonderful lady, whom I considered a friend. God Bless her wonderful family. I know that your love and memories will sustain you.

“ My deepest sympathy to all the Bermingham family. Bernice was a good friend of my Dad's and was my mentor and one of my biggest inspirations. I learned so many important lessons from her, both business and personal, that I still practice today. She will certainly be missed. All those who were lucky enough to know her were truly blessed. I have so many wonderful memories which I will cherish. God bless you all.###imported-begin##Sally Trant Humason###imported-end##

“ I loved my Aunt Bernice very much. After I lost my own parents in 1995 & 1998, Bernice was my link to them and the good memories I had of them.

I will miss her a lot, but she will always be in my heart.##imported-begin##Maureen McKeever##imported-end##
