“ Dear Kelly children and grandchildren:

We were sorry to learn of Betty's death last Saturday. We knew she was very ill, when she moved into The McAuley. We live here also. We tried to invite her to have dinner with us quite a few times, but she never felt well enough to do it. We know she had Hospice at the end, which must have been very comforting to her as well as to you children.

She was a lovely lady, and did a great job raising you 6 children to adulthood on Garfield Rd. We lived at #100 with our 3 children, Dianne, Jeff and Andy.

We send our deepest sympathy to all of you, and are sorry that our health does not permit us to attend either the wake or the funeral. We know she will be deeply missed by all who knew and loved her.
