“ To the descendants of Beverly Talcott -

It takes awhile but news, both good and bad, eventually reaches us up here on the Canadian border. It wasn't until Monday, the 18 th, that we heard that Beverly had died.

Hence my delayed response.

Beverly was a wonderful person; one of my most pleasant and peaceful relatives.

I/we never saw her very often. Probably averaged only once a year, at things like

Grandfather Vaill's birthday party in Colebrook, but she was easy and interesting to talk

to. Although our paths didn't cross very often we have exchanged Xmas cards and

annual catch-up notes for many decades. It would be great if one of you would carry on

that tradition so that we can keep tabs on your doings. Send me one or more of your

addresses and I'll add it/them to my list. My winter address is 1409 Country Club Rd.,

Middletown, CT 06457

Our last visit with Beverly was in November, when Emily brought her to my one

man show at Gallery 53 in Meriden. We were delighted to see them both and, especially

in retrospect, are grateful that they made that effort.

Anne and I join you in remembering her fondly, and wish you all well.

Love,

“ Dear Jane, Lucinda, Emily and family,

I'll never forget your mom's rosy cheeks and warm smile. She always made me feel welcome in your home. I have such great memories of spending summer afternoons at the Talcotts. When Jane and I had some plan...cleaning out the chicken coop to make a 'clubhouse', tobogganing down the meadow hill after a blizzard, rushing outside at noon to 'see' the solar eclipse...Mrs. Talcott was nothing but upbeat. Any concern she might have had was always gently delivered as in, "You probably don't want to look directly at the sun." And it was followed up with a mischievous little smile, as if to say, "Of course not, you know better." How fortunate you are to have had such a great mom.

My thoughts and prayers are with you.##imported-begin##Beth O'Rourke Doyle##imported-end##

“ *My thoughts and prayers are with all of you. What a beautiful woman Beverly was, both inside and out. I shall miss her, as shall everyone who was fortunate enough to be touched by her qualities.*

Memories go back some 50 years. As a child visiting the Farmington, she made me feel so comfortable. As an adult, her positive outlook on life & her serene demeanor always made an impression. She was always so interested in our lives, asking about family members and wanting to keep up with our activities.

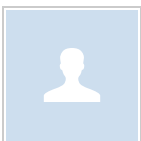

I only wish I could be with you on Saturday to celebrate her life, and to remember, with you, her importance to all of us, and her positive impact upon our lives.

In lieu of flowers, of which I am sure you shall have many, Walter and I are going to send a donation in Beverly's memory to Avery Heights Church Homes. The last time I saw Beverly, she seemed so happy with her life there. It must be a wonderful place.

With deepest sympathy and love,
