“ Bev and I made a great working pair on the Altar Guild at Christ Church Cathedral. She always complimented my flower arrangements and shared the best jokes. We played with June Aziz and Joan Henderson on the Women's Golf Team from the Cathedral and with her good putting we had a winning team. Bev invited me to join the Farmington Valley Womens' Golf Club where i found sincere friends. My dog, Mr. Pip, loved to visit with her on weekends at her West Hartford home. She bought my art and boosted my ego. I'll miss her e-mails. She made a difference in my life in so many ways. *###imported-begin##Ionis Martin###imported-end##*
