“ Jason, Jackie, Angeline, Stephanie, Nicholas
We are so saddened with the loss of "our" Brad. From the first day that he walked into our home and into our lives as a four-year-old, he, as well as you Jason, stole our hearts. The years of his childhood that we shared are precious memories to us. We are so thankful to have reconnected with him lately. Wishing things could be different now, and want you all to know that our prayers for all of you will continue.
