“ We are so sorry for your loss. Brendon was a big part of our family family for years. He was a thoughtful, sensitive friend, and an amazing host. We'll cherish all the time and memories we had spent with him from the hundreds of meals, adventures on and off the boat, parties, vacation together in Virgin Gorda, working together, the phone calls and just spending time together at the house. He was amazing with the kids and they were so comfortable with him. When the kids were growing up he would take all 4 kids Saffron, Honor, Gabriel and Nikolai on little adventures and would take such great care of them and teach them so much. We will miss him always.

“ I knew Brendon through Pickleball and although I did not have the opportunity to get to know him well, I did know him well enough to know he was a kind and considerate man. He was well liked in the Pickleball group, easy to be around and an enjoyable playing partner.

My sincere condolences to Brendon's family.

“ Always a gentleman, I will miss Brendon and our many talks. It is hard to understand how such a talented and sweet soul could possibly leave us way too soon. My thoughts of sympathy to all of his family, and to all whose lives he has touched.
