“ *It was a shock to hear of Bruce's sudden passing. He touched so many hearts and I know he will genuinely be missed.*

Bruce helped me with some outside projects at my house and I always meant to have him and "Miss Jane" over for dinner one evening to thank him. I never got the chance to do that.

I was very moved at how much support he gave Jane after Steve's passing. He was kind, helpful and a real gentleman. We were lucky to have him touch our lives.

Rest in Peace Bruce.

“ *Brucie, can't believe your gone. As much as you were a pain in the ass at times. I miss you brother. Miss your 5 oclock call to tell me how hard you worked that day. As crazy as it sounds I've called your phone just to hear your goofy voice. May you be at peace, and maybe next time when we see each other haven or hell there will be a tractor pull.*

Love you
