“ I am thinking of Buddy every day, and of all of his friends and family whom I met last week who were so kind to me, especially his children, mom & dad and his sisters, and Dave & Mary Jane and Mark & Lisa--I am so sorry for your loss. I was such a very small part of Buddy's life, but he has taken a piece of my heart to heaven with him. I will never forget him and the great, fun times we shared.

“ I had the honor and privelege to work with Ed (Bud) these past six years. When it came to work, he was always very helpful and insightful. He offered a lot of guidance and help to me while I learned the ropes and am very grateful. Outside of work, he was a great guy to be around and I loved hearing about his adventures out on the Cape. He lit up when speaking about his kids and grand kids. I am very sorry for your loss.

“ *Ed Welch was my trainer out in the field and a great colleague and friend. Ed was a quick responder as well. Whenever there was a problem he would not hesitate to lend a hand in solving it. He was a great colleague but a better friend. I wish the best for his family and friends, Ed will be missed in San Francisco.* ”
