“ So sad to read of Mrs. Lantz passing. She was more than a nurse in my time as a student at Charter Oak School. She was always so loving to my mother and I growing up. She was one of the reasons I went into the medical profession. May you rest in peace and love.

“ *Dear Lantz Family,*

I am so sorry to hear of your loss. Carol brought her spark to our long-standing book club group comprised of many current and former West Hartford educators. Of course, she always read the book!

Wishing you peace in this sad time,

“ *Bing.....know that you're in my thoughts & prayers during this difficult time. Carol was such a good friend during my nursing school days & then when I lived in Hartford for a time after our graduation from St. Francis. I remember when she first met you @ your Dad's travel agency; followed up by our "double date" & then the many good times we shared thereafter. You were "just the best" for her-always. Take good care Bing. Maryellen Droznick Eastern*

“ *To the family of Carol Lantz, I had the good fortune to work closely with your Mom in the West Hartford Schools 1979-88 when I was head of Health, Physical Education and Athletics. We did ground-breaking, meaningful work on the West Hartford Health Council that stood as a first in Connecticut and positively impacted so many children in all our schools throughout the community. Your Mom was a leader in initiating all these programs and was highly respected as a thoughtful, caring and knowledgeable person. She made a mark that will continue for many lifetimes. She was a wonderful woman with whom I was privileged to work. My heart, thoughts and sympathy are with you.*

“ *Dear Bing and family,
I am so sorry for your loss of your wife, mother and grandmother. Carol and I were both students @ St. Francis Hospital School of Nursing and then we worked as school nurses in the West Hartford Public Schools. She was always an excellent nurse and extremely hard working. She made excellent contributions to every nursing job she had. My heart is broken today.*
