

## Caroline D. Rodonis

April 26, 2008

Caroline Pugliese Rodonis was called home on April 26th, after a noble battle. Carol leaves behind her adoring husband Stephen, and two children, Eric age 8 and Sara age 5. She also leaves her loving family which includes her mother and father Antoinette and Augustino Pugliese, her sister and brother-in-law Teresa and Ross Suber, and her brother Joseph. Throughout her 44 years, Carol touched many lives and leaves behind a long legacy of love. She taught kindergarten, first and second grades for 13 years in the Windsor Public School system before settling down to raise a family. She was an exceptionally devoted mother, wife, daughter, and sister who did her best to please those she loved most. We would like to thank the West Hartford community for its outpouring of love, the staff at Sage Park Middle School of Windsor, and all the wonderful doctors, nurses, and staff of the 6th floor of John Dempsey Medical Center who provided the best medical care with compassion. All are invited to join in the celebration of her life at her Mass of Christian Burial at 10:00 a.m. on Friday May 2nd in the Church of St. Peter Claver 47 Pleasant St. West Hartford. Burial will follow in Fairview Cemetery, West Hartford. Donations in her memory may be directed to the Rodonis Children's Educational Fund, Sovereign Bank, Attention Mary S. Chase, 1010 Farmington Ave. West Hartford, CT 06107. Online messages of remembrance may be made at [www.molloyfuneralhome.com](http://www.molloyfuneralhome.com)

“ It is with a heavy heart I write this message. Although I have not seen Carol in many years I will never forget her kindness when Carol and I were just teenagers and I was mourning the death of my mom, there was a knock at the door and it was to my surprise Carol had stopped by with her smiling face to cheer me up. It is with that memory and many others of a loving and caring person that I will carry with me forever. I was deeply saddened to hear of her loss. My deepest sympathy goes out to her family. She will be greatly missed by all.##imported-begin##Joe Modugno##imported-end##

“ Rodonis Family,

*I was a student of Clover Street Elem. from '91-'95. During my free periods I would spend time "assisting" in Ms. Pugliese's at the timeclass. I will always remember weekend pizza parties, watching Man in the Moon with her, and shining the spotlight on her sister during her concerts.*

*Her kindness towards myself and all of the students of that school will never be forgotten.*

*I'm beyond words, and could never express the sadness and pain I feel for you.*

*She will be forever missed, but never forgotten.##imported-begin##Amanda Moschetto##imported-end##*

“ To Caroline's Family,

*Caroline was a beautiful person inside and out. I met her at Wolcott School many years ago. We hit it off immediately and had many laughs together. I got an email from her last December telling me how she loved Christmas with Eric and Sara. You are all in my thoughts and prayers and I hope that your happy memories will sustain you in your loss and bring you peace. Pat Wahlberg*

“ Dear Steve & Family,

*I first met Carol when I was working as a parish secretary at St. Peter Claver Church. At that time, Eric was in a stroller and she came in to register in the parish. What a lovely woman she was and what an impression she made upon me! Over the years I would see her out in her yard with the children when I took my noon-time walk. She always had a friendly word to say to me. I was so saddened when I learned about her illness several years ago, but tried to keep up with the news of her recovery. I was deeply saddened to read of her passing in the paper. Please know that my prayers are with all of you during this very difficult time.*

*Where do I begin with the memories. I remember her wonderful smile and loving ways at Wolcott and I remember the notes you would give me to pass to Caroline when you first met her at Clover Street school . My heart is saddened that you have lost such a loving wife, mother and true friend. My prayers are with you and your children. Know that she is in a better place and will always be watching over you and her beloved children.##imported-begin##Mary Johnson##imported-end##*

“ I was so sorry to hear of Caroline's untimely passing. She was a warm and wonderful person who touched so many children's lives. When my daughter Emma went to kindergarten the first year Roger Wolcott was open, Caroline always had a smile on her face and made all the students feel happy to be at school. Emma developed a special penpal relationship with Caroline and was so thrilled when she would get a note from "Mrs. Rodonis". I have many fond memories of my children's time at Wolcott and Caroline was one of the main reasons.

My thoughts and prayers are with you during this difficult time and please know Caroline will always remain in our hearts.##imported-begin##Nancy Dulz##imported-end##

“ My friendship with Caroline began on the kindergarten playground at Braeburn and flourished as we shared sending our sons off on their journey into the world. In just a short time, Caroline felt like a best girlfriend that I could sit and talk with so comfortably. We loved sharing stories about the kids, our families and traditions, and even our faith that God has a plan for all of us. Her loving, caring and compassionate soul will certainly be missed by all she touched during her life. When I see Eric and Sara at Braeburn, I see the light of her soul through their eyes and their smiles, and it will shine forever. Steve, please know that you and the children are always in my prayers.##imported-begin##Jeannine Stimson##imported-end##
