“ I met Caroline when I used to live in California, she had some anxiety, living alone and used to stay over at me and my then fiance's house,, we later all lived together with with her boyfriend/fiance Drew, we used to go home Depot and browse, and I have very special memories, Caroline would give her shirt off her back to anyone in need, and I am deeply saddened by her passing.. I hope that she passed in piece, and knows in heaven that we all loved her.
