“ Dear Rogers family. I am so sorry to hear of your mom's passing. The picture that comes to mind is of her sitting at our basketball games cheering us all on. I also have memories of being at daily mass with her while I was at Northwest. She always exhibited such a quiet and strong faith. May you all find peace in your memories.##imported-begin##Megan Tracey##imported-end##

I am so sorry to have heard of the passing of your mom. I remember your family as being so close-knit and I know your mom was a big part of that. When I was a substitute teacher at Hall High many years ago, she always greeted me with kindness and made me feel welcome. I extend to you my deepest sympathies along with Donna and Jeannine. May the special memories of your mom help you through your grieving process. We will keep you in our thoughts and prayers.
