“ *The Mountain Laurel women have a monthly lunch for those who are retired. Charlotte attended those. When we decided to go to Africa. We knew we wanted to sit near Charlotte to pick her brain. Every time we asked a question, her answer was "Botswana." We went to Botswana; she was right. It was an incredible trip of a lifetime.*

I also remember her and Bob cross country skiing by me at Mt. Meadows about 20 years ago. I think I'm a decent Nordic skier, but they went by me like I was standing still. I was so impressed.

Charlotte and Bob were two of the nicest people I know. I send my utmost sympathy to Bob who I know will miss her sorely.
