“ I worked with Chris in Carecentrix for the last 3-4 years. She was an amazing person, caring and wonderful to work with. She made me laugh and was always an ear that would listen should I be having a tough day. I will miss her so much. She made me a better worker and set an amazing example for the work ethic that I always try to live up to.

You were/are an great person, funny and so caring. My condolences to your family and I know you are looking down at us all. Heaven has gained a true angel.

“ *I have known Chris for 15 years. We worked together for a great part of that time. She was funny, loved to laugh, absolutely adored her grandchildren .She was always up for a good meal and loved to do things in New York with her sister. I think she would want people to remember her kindness. I also think that although we are all saddened by her sudden passing that we can smile a lot when we think about Chris. I will miss her a lot .I hope she is relaxing on her own private beach with a drink in her hand in Heaven.
