Tribute Wall

“ Dear Bill, Laurie & Jim, I worked with your Mom for many years at SJC. She shared many stories of raising a family. I was to learn of each of the gifts Claire's children brought to the world through her eyes. You were her pride and joy. With each new Grandchild came another sparkle in her eyes. I loved her laugh and how she could be a bit mischievous, especially when we shared a joke. She was a gracious, caring, fun-loving woman with a great pair of legs. She had a dancer's heart and opened it to all. Claire was a great role model because she was such a refined lady; a classic. My thoughts and prayers are with you.##imported-begin##Gail Lewchik Bernaiche##imported-end##

“ Dear Laurie,
Remembering your mother brings such a smile to my face. I think fondly of so many visits and sleep overs to your house, and your mother was always so fun with her great sense of humor, and I also your remember your mother being such a great cook and having great breakfasts! Ellen and I always loved going over to your house, and your mom made your home, like our second home..I know she was your biggest cheerleader and that you will miss her...but I also know she will still watching over you. “ My Mom, Anne-Dillon Dalton called me to tell me that Mrs. Scully passed away. Bill, Laurie and Jimmy, my thoughts and prayers are with you during this time of loss. I was telling my Mom that I have such happy memories of times with you all and remember your Mom so well. I always thought she was so pretty, so happy, a beautiful smile, so caring and thoughtful. May knowing she is a full peace now bring you strength. I also know she had a wonderful faith and three wonderful children! God Bless you all.
