“ My name is Mary Dougherty and I wish to extend my sympathy to you on the loss of your mother.
I met Connie at Central CT State college in the 1970's. We both were creative people with families taking Art courses and we became friends. I remember her fondly from those days. We began drifting apart when I began teaching fulltime in Hartford.
Her picture looks great, it brought me a smile and good memories. Yes, she was an extraordinary person!
