“ I just attended the most beautiful funeral mass for a person I did not even know. Connie, thank you for letting me be part of YOUR mass. it was beautiful and touching. The music was outstanding, the homily so poignant, and the intentions with your name read after each was great. It was good to be back in Church again receiving Holy Communion. May you rest in peace and be happily reunited with your parents and brother. I will never forget your mass and will pray to you often
