“ *When I first started dating Brendan Jr. Back in 1990 - I remember attending the First Holy Communion of Meghan! It was the first time I was meeting members of the greater Sullivan family, at that time the lived in Long Island.*

David was very kind and welcoming and he and Suzanne we so happy to have us share that special day.

It was so great to meet Kevin and Meghan, they were so young! - I have watched them grow into the amazing man and woman they have both become, and today the beautiful way in which they spoke about their father David, confirmed that.

We send our love and deepest sympathy to you all. RIP David Emmett Sullivan -

*much love,
