“ *I send along my prayers and heartfelt sympathy as you deal with the sorrow that surrounds you in the loss of your beloved mother, grandmother and sister. I met Donna and her wonderful family when they moved to Bloomfield. Donna and her mother in particular were so kind to me when my father passed away when I was 13 years old. We used to have sing-a-longs at the house. I spent many hours at the Stuart household. We have kept in touch over the years through Facebook. I was so hoping Donna would be able to attend our BHS 50th class reunion. Clearly Donna is at peace and being welcomed by all her beloved family members, Greg, Christopher, Jeanne, her parents and grandson. I will certainly miss all her inspirational posts on Facebook. Rest in peace Donna.*
