“ I am so very sorry and deeply saddened to hear of Dordre's passing. Dordre is my god mother and she has always been very special to me and my family. I fondly remember one special trip to the beach on John's boat. It was such a fun day with them and my parents. I enjoyed meeting Dordre for breakfast at Friendly's and remember how easy it was to talk with her about life. She was always there for special birthdays and events for my children. I will miss her very much. Lynda Martin East Granby

“ Our deepest condolences to all the family and friends of Mrs. Dordre. We have been her neighbors for 12 years and since the beginning, she was a great neighbor. She was so sweet to my kids and so kind especially to my husband Miguel. We will miss her dearly. From the Varela family.
