“ My Aunt Jane, a very special part of my life - her sweet smile and ready laugh, the special holiday visits, her love of friends and good conversation, and her interest in all her nieces and nephews being the best they could be! Most especially, the special love she shared with Uncle Bob for their entire lives and forever. She is with her Bob once again. We miss them both.

“ I remember wonderful times spent with her at the shore in Connecticut and Cape Cod. Always trying to get the perfect tan. Also, wonderful Easters spent together. She loved carrot cake and always asked me to make it when she would come to visit. Love you Aunt Jane.
