“ Dear JoAnne, Kaitlyn, CJ and Andrew,

We all share in the sad time now that your mom, grandma has passed away. Dorothy always had a warm smile and little story tinged with a Mass. accent from days gone by. I know how much Shirley and Chris enjoyed visiting, celebrating the holidays and all the wonderful events that the union of David and JoAnne brought to all of our lives. Times like these make us realize that family is what we live for. We send you all our love and big hugs and wish we could be with you, so happy though that we had time to chill on Cape Cod together.
