“ So sorry to hear about your mom!
Bee and I have you all in our thoughts and prayers. Maybe your mom can get the GIANTS some devine intervention help this Sunday eh? I'm sure she is at peace and bowling 300 games in that great big bowling alley in the sky with your dad now.

“ We were so sorry to hear of the passing of Dot... We have known her and her husband since we started bowling with them in Bloomfield. Both of them were such an inspiration for their kindness, generosity and their energy. No one would have ever guessed that Dot was in her 80's, and still bowling... As Willie would often say to her, "She is a Machine"...Dot and Dan will be forever in our thoughts and dearly missed.##imported-begin##Roger and Doran Baral##imported-end##
