Duff and Chuck Miley, of Maplewood, NJ; and a niece and nephew, Beth Whitmore and her sons, Joshua, Dylan, and Cody of Plaistow, NH; and David Whitmore and his wife, Nicole, of Beverly, MA. He was very close to his California cousins Pam, Debbie, Mike, Brittini, Sandi, and Jenna. He graduated with honors from the University of Michigan with a Bachelor's degree in Economics and received his Master of Science degree from Sloan School of Business at MIT. He was a driven water walker at Cornerstone Aquatics in West Hartford, having walked over 400 miles during the past year; and he was an avid reader of all types of material but particularly mysteries. Music was also important to him and some days it rang throughout the house. During the years he lived in California, he enjoyed playing bells in the church bell choir. “ *My heart goes out to you and your family. You are in my prayers. I will never forget how Drew invited me into his home one Thanksgiving, along with others from work. It was a special event. His stuffed mushrooms were wonderful. I know he will be greatly missed. I have thought often of both Drew and Debbie over the years with fondness. So sorry to hear about Drew. Working for Drew in Financial Controls at American Airlines was always an "adventure". He was so brilliant and kept us laughing as well.

“ *Debbie and Allie,*

I am going to miss Drew. I'll miss his sense of humor and the conversations we had about business. I learned a lot from him. I'll also miss the teasing between Drew and Elaine and especially the many times we got together for dinners and our trip to the Bronx Zoo. It has been a special friendship since our kids first met in kindergarten, 9 years ago, and I will cherish the support you've provided us. Drew was a good man and I'll miss him a lot.

Love,

“ *Debbie & Allie,
Our hearts are so very sad! We have shared so many wonderful times together over the past 9 plus years...holidays, dinners, outings. There will never be another Drew and we will miss him so very much. Drew and I had a special relationship and I will miss the jokes and the teasing we shared. So shrimp-breath please watch over us and know you will always be in our hearts!!*

*With love,

“ *My sympathies for your loss. A fellow member of Cornerstone Aquatic Center, I saw Drew in the pool almost every time I was there. Though we never met, I was impressed by his dedication. He just kept going and going, day after day, up and down that lane. Such determination! He was a real inspiration to me, and to many other Cornerstone exercisers, I'm sure. He'll be missed in Lane 1.##imported-begin##Bryan Berry##imported-end##*
