Edward Colon February 6, 1959 - August 23, 2024 Edward (Ed) Michael Colon, 65, of West Hartford passed away with his wife Jackie, son David, and daughter Mya by his side on August 23, 2024 after a courageous battle with early-onset Alzheimer's Disease. Despite the challenges, Ed remained a source of inspiration and love to those around him as he demonstrated incredible strength and resilience throughout his journey. Ed was born in New York City on February 6, 1959. He attended Xavier High School and received an undergraduate degree from Bard College. By night, he was a devoted father who cherished every moment with his family and friends. His culinary skills brought joy and warmth to family gatherings and created lasting memories around the dinner table, especially on Thanksgiving Day. Ed's love for music spanned genres from Classical to Reggae, Blues, and Rock 'n' Roll. Ed's kindness, compassion, and generosity left a lasting impact on all who knew him. His legacy of love, family, and the simple joys of life will be cherished by those who had the privilege to share in his journey. “ Ed was one of those persons who had it all. If you knew Ed you loved him. He was so kind and gentle but yet but monster of a human being. If you were fortunate enough to have met Ed , you are a better person today. Jackie and David and Maya were the true loves of his life. God bless his soul and may he rest in eternal peace. Thank you Ed for all the inspiration you gave me and my family. Love you
