

Edward F. Kycia

April 26, 2024

Edward F. Kycia, 63, of West Hartford, CT left this earth on Friday April 26, 2024 at Hartford Hospital due to complications after suffering a heart attack. Ed was the loving husband of Mary and the father of Maggie Kycia of Wellington, New Zealand and Danny Kycia of NY, New York, who were his whole world. Ed and Mary raised their family in West Hartford, CT. Ed was born on October 8, 1960 with his identical twin brother, John, at St Francis Hospital in Hartford. Ed grew up in Old Wethersfield, CT. He graduated from Xavier High School in Middletown, CT where he excelled at baseball. He went on to graduate from Assumption University in Worcester, MA, where he also played baseball. After graduation Ed began a career at Allstate Insurance Company in the Operations Department, then moving to Human Resources before opening his own insurance business, the Edward F. Kycia Agency.

Ed was a sports guy. He enjoyed baseball, golf and boating. He loved any sport his children were playing. He was a life-long fan of the Boston Red Sox, the Boston Bruins, the NY Giants and UCONN Men and Woman's basketball. Ed was service oriented, he was involved in organizing and leading many community activities whether at Allstate or in his personal life. A few highlights are his work with the New England Whalers on Hockey Night in Hartford and the American Heart Association. He was a proud member of the parish council at St Peter Claver Church in West Hartford and the board of the Niantic Bay Yacht Club.

Ed was diagnosed with Parkinson's disease in 1993 and although that was his battle for over 30 years, he never let it define him.

Besides his wife and children, Ed is survived by his mother Helen Kycia of Old Wethersfield, CT, his twin brother, John Kycia and his wife Diana of Niantic, CT and his sister Mary Ann Bello and her husband Charlie of Alpharetta, Georgia. He is also survived by many adoring in-laws, nieces and nephews, cousins and friends. Ed was predeceased by his father Edward A. Kycia.

We want to thank the West Hartford paramedics, the staff at Hartford Hospital Cardiac ICU, the neurology team and the staff on Bliss 10 East for the loving and compassionate care they showed Ed and our family.

The family will receive relatives and friends on Friday May 3, 2024 from 4pm to 7pm at Molloy Funeral Home, 906 Farmington Ave, West Hartford, CT. The funeral mass will be Saturday May 4, 2024 at 10:00 am at St. Peter Claver Church, 47 Pleasant St, West Hartford, CT. If you wish to make a memorial donation in Ed's name please donate to the neparkinsonside.org. Ed and his family have been actively involved with this fundraiser which supports the Michael J. Fox Foundation. If you wish to leave an online expression of sympathy, please do so at www.molloyfuneralhome.com.

Rest in peace Ed. We will see you at the "endless blue horizon, neath the crimson setting sun".

“ My husband was diagnosed of Parkinsons disease 2 years ago, when he was 49. He had a stooped posture, tremors, right arm does not move and also a pulsating feeling in his body. He was placed on Senemet for 8 months and then Sifrol was introduced and replaced the Senemet, during this time span he was also diagnosed with dementia. He started having hallucinations, lost touch with reality. Suspecting it was the medication I took him off the Siferol (with the doctor’s knowledge) and started him on PD-5 natural herbal formula we ordered from AKNNI HERBAL CENTRE, his symptoms totally declined over a 3 weeks use of the AKANNI HERBAL Parkinsons disease natural herbal formula. He is now almost 51 and doing very well, the disease is totally reversed! (Visit w w w.aknniherbscentre .com)

“ Ed (& John) the best friends a kid in high school could ever have. My good fortune to play freshman baseball together, John & I (the Pine Brothers) riding the bench while Ed started in the outfield. From there parties, dances, sports, hanging out @ Crystal Lake, getting thrown out of Mercy dance for trying to scare kids w/ Halloween masks and so much more. Ed's eyes would sparkle and he would flash that contagious smile that let everyone know it was going be a little crazy and whole lot of fun!

I am so sorry for your loss. My sincerest condolences to John & the entire Kycia family.

“ To the family of Ed KyciaMary, Maggie and Danny and mother Helen,

Our hearts and thoughts are with you on the passing of your beloved Ed- a gentle soul, a kind and caring person, an inspirational man, and a man who carried proudly his deep and fierce pride and love for his family. When our paths "officially" crossed several years ago through a Conard Hockey Hall of Fame event where Coach D'Annolfo was being honored, it was then that I (Suzi) discovered that Helen was Ed's mother....no wonder he was such a great man!!! I had spent many years, well before it was popular, working with Helen Kycia in health education ventures and championing wellness for all children and adults. At the same time, we discovered that Mary was a runner at NWC when I was coaching Cross Country at Conard...so it was so meaningful to be officially introduced under the umbrella of sports and gain "new friends" who carried on with such passion and devotion to make this world a better place.

Take time to grieve, tell stories, laugh, cry and hold one another closely as you celebrate the life and legacy of your beloved Ed.

*With deepest sympathy and much love,
Suzi and Frank D'Annolfo*

“ The Hanley family had the pleasure of spending three great years and lacrosse seasons with Ed ,Mary and Danny. They were wonderful years with lots of laughter, and wonderful Union College lacrosse camaraderie. There were wins and losses, cheers and tears and always love. Whether it was a hug, a pat on the back or a Coach Wehrum quote, we all felt our boys were in a great place and we embraced the experience. Ed was always there, cheering on Danny and the Dutchmen and exhorting them to be their best. It was a blessing to be able to share Danny and Sean's college experiences together with Ed and Mary. Tracey and I send our heartfelt thoughts and prayers to the entire Kycia family during this difficult time.

“ I arrived at Xavier in August of '78 and during the XLI met Ed and John Kycia. They were great at pulling practical jokes on this NEW Young Brother, however I had the last laugh. When Sept came I had both of them in Senior Religion Class. I was a no nonsense teacher who put behind me the fun of XLI and was ready to hit the books. Ed was the stronger of the twins and knew what the school motto "Be A Man" was all about. Unlike his brother John who after one week went to Mr McKenna to get out of my Class. Saying that Brother William was too hard, difficult and expected too much.. Eddie not only got through the class but excelled! The brothers broke me in to the "SPIRIT of Xavier that influenced my life at Xavier for 30 years. For that I was always grateful to Ed and John. They understood one of the qualities of a Xaverian Brothers education to its fullest, "Enduring Personal Relationships" as we have remained friends for all these years. Eddie you have lived Xavier's moto your whole life "Be a Man."...a Man like Christ...May you rest in Peace and enjoy your reward!

“ Dear Mary, While I didn't have the pleasure of knowing Ed well, I could tell by the few times that I met with him that he was intelligent, friendly and very kind. “ *Our world has lost a wonderful human being. Ed's beaming smile and warm personality were always present, even through his struggle over the past few years. I always admired his sense of humor and his ability to make the sun shine even on the darkest day. We shared many hours together at various athletic events, whether watching our own kids, or any event that drew our interest. Ed loved sports, even after being unable to participate himself. And he was so proud of his family. He always made that his priority, and friends as well. I will always cherish my friendship with Ed, and will miss him in all the days, and years ahead. Now go in peace my friend, until we meet again.*
