*My deepest sympathies to the family and friends of this remarkable woman. I met Eileen through my work at DCF and I was an immediate fan. She has been called an angel; I think of her as a saint. Thank you for streaming her service this past Saturday. It was lovely and provided me an opportunity to participate. Prudence*

“ I was so saddened to read of Eileen's passing. When I was a children's librarian at Prosser Library I got to know Eileen when I came to read and deliver books to the children in her daycare. I was always impressed by Eileen's friendliness, organization, love for children, great kindness and enthusiasm. She was a very special woman who will be greatly missed. I will keep Eileen and her loved ones in my prayers.
