“ Dear Kate and family,
Unfortunately there are no words that can relieve the pain you feel right now. You can be assured that Elizabeth is feeling your love and will for eternity.

Dear Kate:

i am so sorry for you. If you are anything like your mother which I am sure you are, you must gather all the strength you can and support one another. I never know how we get through these tragedies but we do. We both know your mom is surrounded right now with so much love. You can be assured Cori is at the front of the line.

My prayers are with you and your family.

“ *I first met Elizabeth more than 20 years ago when she played shortstop and I second base for the CML women's softball team. Over the years, ?E.J.? and I have shared a lot of laughs, adventures and not a few philosophical discussions. One softball game memory Biff the baseball coach and Elizabeth notwithstanding comes to mind. After the game, we were wondering how many of the team we could pile into the ol' MG top down to head off to a ?post game meeting?. When the plan was executed, I think there were at least 5 of us heaped into and hanging off of the two-seater? and off we went, un-arrested to our meeting destination.*

Elizabeth was my mentor, a trusted friend and hero. To Bill, Kate, Annie, Allison, Joey, Eddie, Mrs. Shay and Aunt Bet, I need to say that words cannot express the sadness of your loss, especially, and mine. My thoughts and prayers are with you.

With love,

“ Both Lisa and I have wonderful recollections of Betsy as well as her entire family. Growing up, especially the pre-teen years with Betsy in a neighborhood that most people only read about, are priceless memories. I still see Betsy, like it was yesterday, driving the great Bonneville convertible, taking a right off N. Quaker Lane onto Milton Street down towards Auburn Rd. With the top down, you could see her big smile, hear the music blasting and Eddie, always sitting shotgun, seeing if anyone needed a ride up to Fern Park, priceless memories!
