Tribute Wall

“ My friend Vera of 16 years was full of wonder. She was the lady I loved dearly. Lived at Fellowship Housing then to Federation Square as she did as well. She was called "Queen Mother" in the dining room where many gathered. To Allan, Steven and Robert...she loved you and your families...the great grand babies completed her world. My Vera is now pain free and floating on clouds smiling...love and peace to you all. Justine Candels, Federation Square.
