“ I was so sad to hear of Ethel's passing. In the short time I knew her I very much enjoyed her great personality and sense of humor. Even though she had a lot to deal with she always had a smile and a great story to share. A remarkable woman. May she rest in peace. My thoughts and prayers to Marilyn and her entire family.

“ Ethel was truly a great lady; intelligent, happy, kind, considerate of all, and always a voice of reason. She was also a fabulous cook and I'll never forget her five star Sunday dinners. A true matriarch of the family and a very classy woman, Ethel was a wonderful human being who, I'm sure, is sorely missed by all who knew her.
