“ Amy

So many many memories from so long ago flood forward. Looking back your mother was so very very kind to me; what a special time in my life. I am sure that I did not appreciate her kindness then as much as I do right now.

Special lady.

God speed, love and peace to you and your family at this horid time.

“ My mother worked for Evlyn and was really close with her. Evlyn and I share the same birthday and my mother would often tell me how we were alike. I only met her once and remember that she was very kind and had cool taste in art. She made a big impression in my mother’s life and for that I am grateful. Sending her family & friends my condolences and love. -Emily LaSalle
