

## Frances M. Fisher

June 22, 2024

Frances Marie Fisher, age 93, of Rocky Hill, CT, died peacefully at Maple View Health and Rehabilitation on June 22, 2024, after a long illness. The daughter of George Fisher and Eva Marie Bissonette, she grew up in Madison, Connecticut. She attended dental school and worked as a dental assistant for many years. She later worked at Travelers Insurance Company and Heublein Inc., from which she retired in 1995. In her retirement, she had a wide range of friends, being active in Rocky Hill's Senior Center and other organizations. In 2010, she won the President's Volunteer Service Award. On her 87th birthday, her cousin Dale became extremely concerned when she couldn't reach her, later finding out that she had been "kidnapped" by a large group of friends who took her to dinner.

She loved camping, fishing, cooking, gardening, feeding hummingbirds, and especially games of any type. She played Scrabble, Yahtzee, cards, and visited the casino with loved ones, including her Aunt Dorothy, her nephew Walter and his wife Pam, and her cousin Dale. She was an excellent cook. In her late 80s, she sweetly offered her cousin Dale some homemade soup to persuade her two cousins not to buy her gourmet prepared meals.

She is predeceased by her parents, her brother George Albert Fisher, her aunt Dorothy Fisher, and her cat "Mr. T.". She is survived by her nephew Walter Fisher and his wife Pam of Englewood, FL, her nephew Fred Fisher and his wife Cathy of Conway, AR, her cousin Beth Loomis and her husband Dave Haas of Arlington, MA, and her cousin Dale Loomis of Concord, NH and

their family members. The burial will be private.
